Response to Amendment

The reply filed on June 23, 2009 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The applicant has provided a list of amendments and a description of newly claimed amendments. The applicant has additionally included a comparison of the art applied under 35 U.S.C. 102(b) and the instant invention. However, this comparison does not appear to relate to the claimed invention to the prior art, as the comparison does not relate to the claim limitations. The applicant has failed to address how the amendments relate to the outstanding rejections under 35 U.S.C. 112 and 102(b). See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
